## **Appendix IV.**

To All Participants

We, the organisers of the follow the FMSCI Sustainability Guidelines, the FIA Guide to Sustainable Events and the FIM Environmental Code, to the best of our abilities, for the future of our sport, and to respect nature and the environment. We ask you to

- use an environment mat or other approved system while servicing or refuelling in order to prevent spillage of oil and fuel into the ground.
  - use the oil collection containers available in the pits when disposing of used oil.
  - bring refillable water bottles.
  - use waste bins for all rubbish.
  - please leave your pits/ service area clean, so that there is no trace of your activity.
  - not leave used tyres or parts behind. Dispose of them correctly.
  - Download the FIA Smart Driving Challenge App to evaluate your CO2 emissions.
- Please help us make our sport clean and environmentally friendly.
